Namaz short surah

namaz short surahIn the practice of Islamic worship, especially during the five daily prayers (namaz), recitation of Surahs from the Quran holds a central significance. While many Muslims memorize and recite longer chapters, there is a special place for short Surahs, known as "short Surahs," which are often preferred during prayer due to their simplicity, ease of memorization, and the spiritual benefits they bring. These short Surahs not only facilitate smooth and confident recitation but also enable worshippers to focus more deeply on their prayer and connection with Allah.
